

# TURLEY

## 2016 Turley “Estate Vineyard” Cabernet Sauvignon, Napa Valley

This wine is pure, organically-farmed, single-vineyard estate Napa Cabernet Sauvignon—not a statement that can be made by many! Planted in 1989 on the volcanic and alluvial soils found in northern Napa Valley, this vineyard forms the eastern border of the Turley estate and is framed on two sides by ancient, majestic oak trees.

*Dark ruby red in color, with a nose that is pure, classic Cabernet: juicy red cherries, dried herbs and flowers, savory spices and tobacco all waft from the glass. These elements recur on the palate, along with a deeply appealing lush, silky texture and supple tannins. Though a young wine, it has an old, classic Napa soul, and is bound to offer immediate charm. Quite possibly the best Estate Cabernet we’ve ever made.*

**Vineyard:** Turley Estate, St. Helena, Napa Valley

**Age of vines:** 29 years

**Farming:** Certified organic

**Élevage:** 100% French oak, of which 40% is new. Only natural yeasts are used in the fermentation.

**Aging:** 18 months in barrel
